【About AirJapan】

AirJapan, the ANA Group's third brand, launched operations in February 2024, primarily focusing on Asian routes for medium-haul international flights.

AirJapan provides a more comfortable experience at an affordable price, offering a service that is neither a full-service carrier (FSC) nor a low-cost carrier (LCC), but a new kind of air travel that focuses on the value customers truly need.

【About AIRDO】

AIRDO's founding principle is "Revitalizing Hokkaido's Economy." With its headquarters located in Sapporo, Hokkaido, AIRDO operates 11 routes connecting Hokkaido with Honshu and Fukuoka as the Wings of Hokkaido.
