- Event 2 is the "Sake & Wine Tasting Event," where passengers can enjoy complimentary tastings of carefully selected Japanese sake and wine currently served onboard.
- Event 3 sees the return of the popular AirJapan Gacha (capsule toy) event, first held last summer, featuring new prizes, including original mini drawstring bags and model airplanes.
- These events aim to deliver "exciting travel experiences" through a blend of playful initiatives, such as Japanese-originated Instax™ Cheki and Gachagacha, and seasonal hospitality.

Tokyo, December 16, 2025 (JST), AirJapan will hold "Triple Sky Events with AirJapan" from December 2025 through March 2026. This program of three onboard events aims to give passengers truly memorable and enjoyable traveling experiences on AirJapan flights from this winter through spring.

This special program is the culmination of a year of discussions among cabin attendants and employees who felt that “We’d like our passengers to have some truly special memories that remain with them forever.” Three events with a seasonal flavor will be held from the winter holiday season to the spring break.

Event 1: Instant camera Instax™ Cheki sessions, to mark the period from Christmas to New Year.

Event 2: Premium sake and wine of AirJapan-tasting.

Event 3: Back by popular demand, the return of “AirJapan Gacha,” now made into an even more exciting event.

At AirJapan, programs of various onboard services and events are created to give passengers “exciting travel experiences.” These onboard initiatives include unique features such as Instax™ Cheki and Gachagacha—new cultures exported from Japan to the world—and will realize hospitality fitting for the start of a new year.

We hope that all passengers will enjoy these limited-time services to the full, as opportunities only to be had at AirJapan.
